

You are better when we work together!

IUPAT DC51 and OnERcall
have partnered to make sure you **stay healthy** while
saving you time and money!

Email your name and family members' names to
admin@onercall.com
to enroll in this special telehealth service today!

A link will be emailed to you when your enrollment is complete.

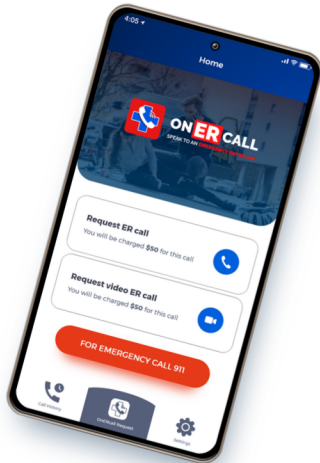

If you think you may have a severe medical emergency,
go to the emergency department or call 911 immediately!

What is OnERcall?

- A free mobile telehealth app (available on iOS and Android) that allows you to quickly speak (via audio or video) with a Board Certified Emergency Medicine physician 24 hours a day, 7 days a week.
- No monthly fees!
- Just \$25 a call!
- Avoid insurance premiums and unknown costs!

What can we treat?

- Allergies
- Bruises
- Asthma
- Cuts
- Upper respiratory infections
- Minor burns
- Back pain
- Fevers
- Headaches
- Coughs
- Rashes
- Colds
- Inhalation exposures
- Flu
- Mild Covid 19 symptoms
- Falls
- Head injuries
- Extremity injuries
- Eye injuries
